Honor their memory
with more...

Pay it forward in honor of those you love.

The tragedy of losing a loved one is difficult, but there is a way to honor and cherish the memory of the life lost by requesting memorial contributions to disentangleAD. Through memorial contributions, family, friends, and acquaintances can express their condolences with the positive action of supporting programs and services helping local Pine Belt caregivers, families, and individuals impacted by Alzheimer's disease and other dementias. Your generosity honors your loved one's spirit, establishes a legacy of giving, and inspires hope for others dealing with loss.

When you donate to disentangleAD, you are joining us in the efforts to ease the burden of Alzheimer's disease by providing Pine Belt residents with mini-grants designated for small, well-defined projects or services associated with caring for an individual with Alzheimer's or other dementias.

disentagleAD is a non-profit organization supporting Alzheimer's care in the Pine Belt region of South Mississippi.
